Your decision is a source of great satisfaction to us, and we are confident your new boat will provide the same for you. By selecting a Pearson, you have expressed a confidence in us. You can rest assured that we have made and will make every effort to support your trust.

Every Pearson Yacht is manufactured by dedicated professionals and craftsmen of the finest materials available. It asks only that you treat it as one of the family, and it will return all you can ask of it and more. This booklet is intended to guide you through your first few days of ownership. Individual instruction manuals from the manufacturers of installed equipment are also included where more detailed information is required.

'Before getting underway, please take a few moments to familiarize yourself with the operations and functions of the various systems designed into the 26 One Design to insure proper operation. In the event that additional information is needed, we suggest you consult with your dealer or call our Customer Services Department.

Please accept our congratulations. Have fun and smooth sailing!
